

Christiana Spine Ambulatory Surgical Center Forms Partnership with Virtua Health

Wednesday, November 20, 2024

John Shire was quoted in an EIN Presswire article discussing the successful partnership between Christiana Spine Ambulatory Surgical Center (CSASC) and Virtua Health. Cozen O'Connor handled the complex legal elements of the transaction, with John and Aselle Kurmanova serving as CSASC's legal counsel. Merritt Healthcare Advisors, a leading provider of merger and acquisition services for health care businesses, facilitated the partnership between CSASC in Newark, Delaware, and Virtua Health, based in Marlton, New Jersey. CSASC specializes in minimally invasive spinal and pain management procedures, and the partnership with Virtua Health aimed to leverage its management expertise to enhance patient care. This collaboration will allow CSASC to expand its offerings, incorporating innovative procedures and technologies to provide advanced treatments to patients in the local community. John shared, "Cozen O'Connor was pleased to serve as legal counsel to Christiana Spine Ambulatory Surgical Center in this transaction with Virtua Health. Cozen O'Connor's legal team helped Christiana Spine ASC navigate through the various complex business and legal issues that arose in the transaction, which resulted in a successful closing of a strong partnership."
