Start Time: 10:00 am

End Time: 11:00 am PST

California's wage and hour laws and regulations are complex, often confusing, and always dangerous. This has never been more true than right now amid the COVID-19 pandemic. This "new normal" presents many new and unique challenges for employers in many respects, including accurate timekeeping, meal and rest break compliance, employee reimbursement, exempt classification, and time off. This webinar will discuss those challenges, the dangers they present, especially potential exposure to class and PAGA actions, along with a discussion of potential solutions and pitfalls. **CLE is approved in PA, NY, TX, IL, and CA. All other jurisdictions will be applied for upon request.**
