End Time: 4:20 pm

Ingrid Welch, a member of Cozen O'Connor's **Corporate** practice, will be speaking at this event in Philadelphia. Ingrid will be presenting "Self-Advocacy & Countering Personal Negation." As you advance in your career, very rarely do you have all the skills, experience, and capabilities that new opportunities require. Pursuing growth opportunities requires the ability and confidence to see your own potential, the right mentor, and the drive to develop the career and life that best fits your aspiration. What are the tools and ways that you can build confidence to self-advocate more effectively?

This panel will explore:

- The positioning of your current success and experience
- Dealing with rejection – every no means you are closer to a yes
- Utilizing peer groups to enhance confidence
- Panelist success stories
