Start Time: 4:00 pm

End Time: 5:00 pm EST

On February 10, the Senate passed H.R. 4445 prohibiting employers from forcing employees into arbitration as a result of sexual-assault and/or harassment allegations, regardless of whether the claim is brought individually or as a class action. Join Jenny Goltz and Aaron Holt for a discussion of the bill and what you need to look for in your employee arbitration agreements.
