

# You Are a Director or Officer and You Just Got Sued: What Indemnification and Insurance is Available to Protect You?

## Location

Philadelphia, PA

## Date & Time

Start Date: 09/26/2013

Start Time: 8:30 AM

The myriad duties imposed upon corporate directors and officers under state and federal law create personal and corporate exposure for virtually every corporate decision made. Our seminar will highlight the risks to the corporation and its management and board from directors' and officers' claims. We will present an overview of the duties imposed upon directors and officers and examine the protections afforded by the "business judgment rule," corporate indemnification rights and directors & officers liability insurance.
