Gina Maisto Smith, Leslie M. Gomez, Maureen P. Holland, Steven Healy, Jenn Scott, and Shelley J. Godeke will present "Title IX, VAWA, and Clery Act Compliance: How to Craft Equitable and Compliant ASR Policy Statements." This webinar is designed to help institutions develop clear, compliant policy statements for their Annual Security Reports (ASR) under the Clery Act, with a focus on the Violence Against Women Act (VAWA) requirements. Hear from lawyers who were "in the room where it happened" during VAWA negotiated rulemaking, helping to shape groundbreaking federal policy. In honor of Sexual Assault Awareness Month, this session will walk participants through the nuances of VAWA policy statements, address essential requirements, and offer practical guidance on translating complex regulatory language into accessible, sensitive, and informed content that will resonate with the broad audiences served. The presenters will also explore the recent reversion to the 2020 Title IX regulations, along with key executive actions impacting compliance. Attendees will leave equipped with actionable strategies and examples to help them create their own policy statements, ensuring clarity and compliance while fostering a supportive environment for impacted parties.

CLE is approved in PA, NY, TX, IL, NV, and CA.
