David Brisco, of Cozen O'Connor's **Subrogation and Recovery** department, will present a webinar titled "Waiver of Subrogation and Limitation of Liability." There are two phrases that are often the bane of any subrogation professional: "waiver of subrogation" and "limitation of liability." All subrogation professionals have encountered the excitement of a subrogation case with slam dunk facts on liability, only to suffer a let-down when a waiver of subrogation or limitation of liability provision places an otherwise sure thing recovery in serious danger. This presentation is designed to discuss how to get around (if possible) waivers of subrogation and limitations of liability and breathe life back into your subrogation case.
