

Why Firm, Legal Dept. Leaders Should Pay Attention to Gen Z

Thursday, July 6, 2023

Josephine Bahn was quoted in a *Law360* article discussing how some firms have adjusted to evolving industry standards. "There are some firms at the forefront of that, focused on work-life balance and developing whole people, not just, 'How many hours can I get out of you for three years before we burn you out and you go somewhere else?'" said Jo. "That kind of law practice is gone, and it's how firms are responding to what and who can be here long-term."
