

# Cozen O'Connor and Cozen O'Connor Public Strategies Recognized Among 2021 New York State Top 20 Lobbyists

**Wednesday, September 8, 2021**

In its second annual analysis of New York's top lobbyists, City & State New York has recognized Cozen O'Connor and Cozen O'Connor Public Strategies as one of the state's Top 20 firms based on 2020 revenues in the state. City & State New York is the premier multimedia news organization dedicated to covering New York politics and policy. Their annual Top Lobbyists list "highlights the most sought-after firms in the business" that "rely on a combination of policy chops, political savvy and well-cultivated relationships to ensure their clients' needs are considered as laws and regulations are crafted."

Highlighted on this distinguished list are Katie Schwab and Stuart Shoreinstein, managing directors of New York Public Strategies. The article also lists their key industries and representative clients, illustrating the depth and diversity of the New York group's work.
