

Managing Remote Work and Avoiding Legal Liability

Location

Webinar

Date & Time

Start Date: 07/26/2022

Start Time: 4:00 pm

End Time: 5:00 pm EDT

Moving forward in a post-pandemic world, a remote work policy will not only be critical to attracting and retaining talent but also a pressure point for litigation and personnel disputes. Employers must examine whether and to what extent employees will be permitted to work remotely and design a work-from-home policy that meets those needs. The panel will discuss best practices for managing a remote or hybrid workforce and avoiding legal liability in such environments.
