Webinar

Date & Time

Start Date: 06/04/2024

Start Time: 12:00 p.m. ET

End Time: 12:30 p.m. ET

Governmental and nonprofit organizations who benefit from tax-exempt municipal bonds are often confronted with navigating a myriad tax, securities, and market issues in order to complete a financing. It is through understanding these issues that entities are able to benefit from such financings.

Join attorneys from Cozen O'Connor's Public & Project Finance practice for a fast-paced discussion of current hot topics relating to tax-exempt financings, including:

- Securities law disclosure requirements, in particular disclosure relating to climate change and cybersecurity issues, in light of recent SEC pronouncements
- The pros and cons of cash optimization transactions
- Bond market conditions and challenges, particularly for market segments such as health care and higher education
