Speakers

The Biden administration transition means a new approach to transatlantic trade and a new course for America and its approach to foreign policy. Meanwhile, across the pond, the UK aims to deliver on its post-Brexit international ambitions for trade and diplomacy as it prepares to host the G7, COP26, and enter new trade agreements.

In this webinar, members of Cozen O'Connor's Trade and Public Strategies groups will join with Cavendish Advocacy, a UK-based government affairs consultancy, to discuss:

- The new Biden administration and Democratic Congress
- The state of play in post-Brexit Britain
- How changes in leadership and priorities will reset the special relationship and US-UK trade talks
- How businesses in the US and UK should be preparing for a trade deal
