

Webinar: Pursuing Claims Against State and Federal Governmental Entities

Date & Time

Start Date: 10/18/2016

Start Time:

1:00 p.m. ET

End Time:

2:00 p.m. ET

Marisa Saber and Leslie Hulburt present "Nuts and Bolt of Pursuing Claims Against State and Federal Governmental Entities." This presentation will discuss the unique challenges of litigating against any level of government. The rules for pursuing local, state, and federal government are set up in a way where potential litigants have to overcome many threshold obstacles and abide by special notice and claim submission rules. The webinar will lay out the basics to recognizing potential claims against the government, limitations of claims against the government, special requirements in pursuing government entities, and pursuing claims against government entities on all levels.
