

Labor & Employment Law Update: 2019 in Review and a Look Ahead to 2020

Thursday, December 5, 2019

Jake Rubinstein, Bethany Salvatore, and Walter Stella presented a webinar about the substantial changes in labor and employment law at the federal, state, and even local levels for 2019. Expanding leave laws and a steady march toward fewer restrictions on cannabis use are having an impact on employers nationwide. At the federal level, regulatory, administrative and case law developments also present employers with new challenges and opportunities. They cover key points in each of three broad areas:

- A Growing Trend: State and Local Leave Laws
- An Overview of New Cannabis Laws: What They Mean in the Workplace
- 2019 Federal Regulatory, Administrative, and Case Law Developments (Department of Labor, National Labor Relations Board and U.S. Supreme Court)
