Webinar

Date & Time

Start Date: 04/23/2020
 Start Time: 11:00 am
 End Time: 12:00 pm ET

Howard Schweitzer, Mark Alderman, and Jim Schultz will be presenting this webinar on what to expect in phase four of the economic stimulus and how companies can be prepared for additional funding streams on the horizon. With three phases of federal relief already passed by Congress in response to COVID-19, it's clear that additional resources will be needed to mitigate the economic damage caused by the crisis. As phase four is being developed, businesses need to know what to anticipate and how they will be impacted.
