

# Analysis of Recent State Activity Impacting Dietary Supplements

## Location

Westin Grand Central in NYC

## Date & Time

Start Date: 06/30/2022

Start Time: 8:15am

End Date: 06/30/2022

On June 30, 2022 in NYC, Meghan Stoppel will participate on a panel discussing state activity affecting the supplement industry at the ACI-CRN Legal Regulatory and Compliance Forum on Dietary Supplements.

Topics covered will include:

- Monitoring state activity affecting the supplement industry Survey of the most active states: California, Massachusetts, New Jersey, New York, Oregon)
- Examining various state bills that would impose age restrictions on the sale of weight loss and body building supplements
- Exploring Oregon’s CBD legislation and regulations setting limits on THC amounts and how other states may follow suit
- Assessing the latest state AG activity against manufacturers and retailers
- Discussing sustainability, recyclability, and other environmental legislation trends impacting dietary supplements
