Date & Time

Start Date: 05/12/2021

Start Time: 2:00 pm

End Time: 3:00 pm EDT

Thomas Wilkinson, Jr. and **Deborah Winokur** will be presenting this webinar on practical and informative insights that in-house lawyers can incorporate into their practice to avoid falling short of their ethical obligations. Corporate counsel face a set of ethics obligations and related quandaries that are particular to in-house practice. Using court decisions and bar opinions, this webinar's speakers will update corporate counsel on developments in a number of areas, including the boundary between legal advice and business advice, multi-defendant engagement letters, the risk of corporate counsel becoming fact witnesses, and whether vendor reports and communications constitute work product. Tom and Deborah will be joined by William Mosley, senior counsel of global litigation and investigations of Applied Materials.
