

# 'I Was Wrong': Omicron Wrecks CEOs' Plans for Office Return

Thursday, December 16, 2021

John Ho was quoted in Bloomberg Quint about how employers are navigating returning to the office with the omicron variant rising. "This is just like Groundhog Day," said John. "We had clients planning to bring people back after the New Year -- there's some who have already decided to delay given omicron and also just the rise in COVID numbers overall."
