Start Time: 12:00 pm

Some would say that the worst part about being a lawyer is billing time (*raises hand*). But why? Billing Coach Molly Kremer (Comm Lit, Pittsburgh) will help you capture and count more of your time so you can make more money and have more time. The Women's Initiative will be moderating and sponsoring this CLE seminar on January 18, 2023 at 12:00pm EST. As we begin fresh this new year, this is a great practice that can be implemented by each of us, with success.

This CLE, moderated by Sarah Schlossberg, Chair of the Women's Initiative, will combine the life coaching tools and concepts Molly learned as a Certified Life Coach with practical tips and insights gained through working in the legal profession. The program will focus on how you can stop procrastinating on your timekeeping and how to tackle and craft your billing entries so that you can effortlessly capture your time as you go.
