

# Could a pandemic bring EB-5 back to life?

**Wednesday, March 25, 2020**

Scott Bettridge was quoted in *The Real Deal* discussing the changes in the EB-5 program and how that could have an impact during a pandemic. November's stricter rules basically killed the program, according to Scott. "We have talked to a handful [of investors], but no one is pulling the trigger at the \$900,000 level," he said.
