

# Use of AI in Tenant Screening - Legal Challenges

## Location

Webinar

## Date & Time

Start Date: 10/24/2023

Start Time: 12:00 p.m.

End Time: 1:00 p.m.

**Steve Katkov** will moderate the panel discussion “Use of AI in Tenant Screening - Legal Challenges,” a webinar hosted by the Minnesota State Bar Association. **Kristina Bakardjiev**, Cozen O’Connor’s Director of Legal Practice Innovation, participate on the panel. The program will examine contemporary regulations for tenant screening at various government levels, AI’s role in this process, and policy adjustments needed for accurate applicant background assessment while anticipating potential new laws governing AI in tenant screening, among other topics.
