 Start Time: 11:00 a.m. ET
 End Time: 12:00 p.m. ET

Richard Rardin and Jake Skaggs, members in the firm's **Subrogation & Recovery Department**, will present a webinar titled, "Subrogation Water Damage Webinar Part 1: Water Connectors and Toilet Valve Failures." This presentation will review best practices for recovery professionals and claim adjusters handling water damage claims, including failures of water connectors and toilet valve products. The goal of the presentation is to provide an overview of common failure scenarios for these losses and the types of forensic investigations required to determine the strongest basis for subrogation pursuit.
