

Documenting Subrogation Loss Means Getting Lots of Photos

Friday, February 17, 2017

Joseph Rich and Richard Maleski, of Cozen O'Connor's Subrogation and Recovery department, hosted a webinar that was featured in a *Claims Journal* article titled, "Documenting Subrogation Loss Means Getting Lots of Photos." The webinar titled, Building a Better Subro Claim, discussed ways for adjusters to support a subro claim and what information is useful for them to obtain. The article summarizes the main points that Joe and Rick discussed during the webinar. [Click here for the full article.](#)
