

# Returning To Work: Employment Attorneys Talk Safety In The Office

**Tuesday, May 5, 2020**

Jeremy Glenn spoke with *CBS 2 Chicago* about the ever changing job market during the COVID-19 pandemic. Many employees have concerns and questions surrounding the returning to work. “Generally speaking, just having a non-specific fear about coming to working is not enough to justify staying away,” Jeremy said. “So, employees need to raise specific concerns with company and ask for the company to consider possible accommodations.”
