

# Fan Fires and Common Subrogation Issues

## Location

Webinar

## Date & Time

Start Date: 05/24/2023

Start Time: 11:00 am ET

End Time: 12:00 p.m. ET

**Philip J. Berens**, **Benjamin Kim**, and Andrew Thoresen of Oracle Forensics will present a Cozen O'Connor webinar titled "Fan Fires and Common Subrogation Issues."

This presentation will explore fan failures, discuss the science and evidence behind a typical failure, and how to evaluate subrogation prospects. The presenters will use hypothetical case studies to demonstrate how to subrogate a fan failure claim in California and Arizona.

**CE is approved in NC, WV, TX, FL, WA, and DE.**

**CLE is approved in PA, NY, TX, IL, NV, and CA.**

**CE/CLE information will be collected when you join the webinar.**
