

# Insurance Litigation: Admissibility of Social Media, Internet and Email Evidence

## Location

Webinar

## Date & Time

Start Date: 03/26/2014

Andrea Cortland, of our Philadelphia office, will be part of a panel discussing the topic "Insurance Litigation: Admissibility of Social Media, Internet and Email Evidence." This Strafford webinar will provide insurance litigators with best practices for getting social media evidence admitted at trial, authenticating the evidence, proving its relevancy, and overcoming hearsay objections. The program will also address ethical considerations that counsel must weigh in using social media evidence. For more information click [here](#).
