

Conducting Effective Investigations Remotely

Location

Webinar

Date & Time

Start Date: 05/18/2021

Start Time: 2:00 pm

End Time: 3:00 pm EDT

Niki Sprinzen, Nandini Sane, and Jennifer Taylor will be presenting this webinar on some challenges and opportunities for conducting a remote investigation as well as best practices. Conducting investigations is only one of the crucial areas that has been reborn in 2020. The shift toward increased remote and flexible working continues to gain long-term momentum. As a result, companies must approach and conduct investigations in a different manner.
