

The Drone Liability Lawsuit: Who Gets Sued and Why?

Location

Teleconference

Date & Time

Start Date: 05/11/2017

Start Time: 1:00 PM - 2:30 PM ET

William Walsh, a member of the **Aviation Litigation** practice group, will present, "The Drone Liability Lawsuit: Who Gets Sued and Why?" via teleconference for the ABA Forum on Air & Space Law's Committee on Drones: Regulations, Operations and Litigation.

The presentation will review:

- Drone business compliance with international trade laws
- Export controls and trade restrictions regarding drone technology
- Violations that can occur and measures that can be adopted to prevent violations
