

Webinar: Fire and Fury: Recovery Opportunities Arising from Spontaneous Combustion Losses

Location

Webinar

Date & Time

Start Date: 03/07/2018

Start Time: 11:30 a.m. - 12:30 p.m. ET

Pamela Pengelley and Cheri MacArthur, of Cozen O'Connor's **Subrogation and Recovery** department, will present a webinar titled Fire and Fury: Recovery Opportunities Arising from Spontaneous Combustion Losses. This webinar will educate participants on the reality of spontaneous combustion, and how it occurs. It will also provide statistics on the prevalence of fires occurring due to spontaneous combustion. The presentation will address methods to prevent spontaneous combustion, common loss scenarios, and potential theories of recovery based on several loss scenarios. The presenters will discuss potential issues and strategies involved in pursuing spontaneous combustion claims.

The presenters will cover:

- The prevalence of spontaneous combustion fires
- Preventing spontaneous combustion fires
- Common loss scenarios
- Responsible parties
- Investigation and management of the claim
