Start Time: 02:15

End Time: 02:45 pm ET

Suzanne Mayes will moderate a panel titled "Biden Administration: Impact on the Muni Market" at The Bond Buyer National Outlook Conference. With some degree of normality returning to markets, attention is now on the Biden administration and what his administration's plans might mean for the municipal bond market. With this in mind, the panelist of experts will share their insights on:

- Infrastructure spend
- ESG or environmentally friendly projects
- Impact of Biden's economic plan on tax-exempt munis
