

An Overview of Evidence, Procedure and Products Liability in Quebec

Location

Webinar

Date & Time

Start Date:

Start Time: 11:30 a.m. - 12:30 p.m. ET

Marie-Pier Nadeau and David Huard, of Cozen O'Connor's Subrogation and Recovery department, will present a webinar titled, "An Overview of Evidence, Procedure and Products Liability in Quebec." This webinar will provide a refresher on a variety of topics to assist you in handling, protecting and advancing your subrogated interests. The presentation will focus on key topics such as evidence preservation and spoliation, and the new Quebec Code of Civil Procedure and how the recent changes could impact litigation. During the webinar the presenters will also discuss recent Quebec Court of Appeal decisions in product liability cases.

The presenters will discuss:

- Evidence preservation & spoliation
- Civil Procedure
- Products Liability
