

# 10 Questions with Heather Marx

**Tuesday, November 14, 2023**

Heather Marx was featured in a *Hennepin Lawyer* article discussing her practice, the unique challenges women face in the legal profession, and the advice she will never forget. She highlights her mentors who have played a significant role throughout her legal career. “I have had an embarrassment of riches when it comes to professional mentors, and the one thing I have consistently learned from them is that the practice of law is best when it’s a team sport,” said Heather. “When you surround yourself with great people who are phenomenal lawyers, even the most challenging situations have solutions.”
