Dan Luccaro concentrates his practice on representing insurance carriers and other commercial clients for claims involving a wide variety of property damage events including fires, floods, mechanical system failures, sprinkler system failures, building collapses, product failures and defects, roofing failures and deficiencies, and other construction defects. He has also handled admiralty claims involving vessel collisions, allisions and fires. He has litigated claims in a variety of state and federal courts throughout the eastern United States.

Dan also has experience with assisting companies with self-insured retentions or significant deductibles in setting up and managing recovery programs.

Dan received his Bachelor of Arts from Colgate University in 1999 and his law degree from Georgetown University Law Center in 2002.
