Monday, November 29, 2021

CHICAGO, November 29, 2021 — Three Cozen O'Connor attorneys have been recognized as *2021 Chicago Notable Gen X Leaders in Law* by **Crain's Chicago Business** for their success and accomplishments in their leadership roles within the firm and across the legal community.

The three honorees are: **Gary Gassman**, co-chair of the firm's Professional Liability Practice Group; **Tia Ghattas**, co-chair of the firm's Transportation & Logistics Litigation Team; and **Jeremy Glenn**, Chicago office managing partner and a member of the firm's national Labor & Employment Department.

The attorneys were selected by the Crain's Chicago Business editorial staff based on their ability to effect change in their roles and/or practice areas, serve as role models and mentors to other attorneys, and assume leadership roles outside of their firm — including professional organizations and community service initiatives.

All three attorneys were recognized similarly in the 2019 inaugural list.

The 2021 honorees are featured in a special section of the November 22 Crain's Chicago Business magazine in both print and online editions, accessible via the link below.
