

Cassandra Jacobsen Named “Up & Coming” Attorney by Minnesota Lawyer Magazine

Wednesday, August 7, 2024

Cassandra Jacobsen, an associate in Cozen O’Connor’s Labor & Employment Department, has been named a 2024 “Up & Coming” attorney. Each year, Minnesota Lawyer recognizes a group of new attorneys already making a splash in the legal community and the legal professionals who play a critical role in helping the lawyers look good in court and the offices. All of the Up & Coming Attorneys honorees are in their first decade of practice.

Jacobsen’s practice centers on guiding employers through a wide range of employment issues. She provides advice on workplace policies, discrimination, harassment, and problematic employees, conducts workplace investigations, and assists employers in understanding and complying with ever-changing state and federal laws. Jacobsen also leverages her extensive litigation experience to represent businesses in disputes related to employment, contracts, partnerships, trade secret and confidential information protection, and enforcement of restrictive covenants. She frequently speaks and trains on emerging issues in employment law and litigation to business, bar, and industry trade associations.

About Minnesota Lawyer

Minnesota Lawyer serves local attorneys and other legal professionals by providing information they can use to excel at their jobs. Their website and semi-weekly newspaper provide in-depth coverage and analysis of state and federal appellate cases, significant trial court decisions, court rules, trends in the profession, and verdicts and settlements.

About Cozen O’Connor

Established in 1970, Cozen O’Connor has more than 925 attorneys who help clients manage risk and make better business decisions. The firm counsels clients on their most sophisticated legal matters in all areas of the law, including litigation, corporate, and regulatory law. Representing a broad array of leading global corporations and middle market companies, Cozen O’Connor services its clients’ needs through 33 offices across two continents.
