

Product Liability Cases To Watch In 2025

Wednesday, January 1, 2025

Jillian Flax was quoted in a *Law360* article discussing the Monsanto preemption cases and the Third Circuit's decision to decline to review a ruling that federal law preempts a Pennsylvania state law that orders cancer warnings on chemicals. The ruling affirms a split within the appellate courts over the issue in the massive litigation. "If the Supreme Court is going to rule on it, then it would be a chance for the Supreme Court to provide more commentary about the overruling of the Chevron defense and Loper, and we could get another glimpse at how they are going to apply that thinking," said Jillian.
