

Young Lawyers Hit by US Supreme Court Rejection of Debt Relief

Monday, July 10, 2023

Josephine Bahn was quoted in a *Bloomberg* article discussing the Supreme Court's decision to reject President Joe Biden's student loan forgiveness program. This decision disappointed many law students and early career attorneys who have taken out student loans to pay for their education. "Student debt lives and breathes with you every day," said Jo. "Folks have been waiting for relief for so long, only to have the goal post moved."
