E&O and D&O Claim Essentials: 2013 Update and Review

New and daunting legal and procedural developments present increasing challenges for claim professionals. Across the industry, these are sometimes addressed in varying ways. With our broad perspective on the industry and work with industry participants and experts, however, Cozen O'Connor is able to identify best practices to drive successful outcomes. "E&O and D&O Claim Essentials" will provide claim professionals with substantive and practical tools for handling complex claims, and a forum for questions.
