

Trump's Legal Future After Winning The Presidential Election

Monday, November 11, 2024

Jerry Goldfeder was a guest on *Spectrum News* to discuss Donald Trump's current pending legal proceedings. Jerry covered Trump's hush money case in New York and whether the judge would dismiss the charges or sentence him; if further indictments could be expected for others involved in the January 6th insurrection and whether Jack Smith would still issue a report on his findings; and the Georgia election interference case.
