Webinar

Date & Time

Start Date: 06/08/2023

Start Time: 11:00 a.m. ET

End Time: 12:00 p.m. ET

Philip T. Carroll and Dan D'Imperio of National Subrogation Services and Matthew K. Parsons and Donald E. Mikel of Donan Engineering will present the Cozen O'Connor webinar, "Evidence - A Day in the Life."

In this webinar, attendees will learn about the importance of identifying and preserving evidence in support of subrogation and recovery cases. Video footage of a piece of evidence being tested in a lab facility will be shown during the webinar. Participants will see first-hand how these types of tests are conducted. The webinar will also discuss the chain of custody and spoliation issues that can impact subrogation efforts.

CE is approved in GA, TX, FL, NC, DE, WV, NH, OK, and WA.

CLE is approved in PA, NY, TX, IL, NV, and CA.

CE/CLE information will be collected when you join the webinar.
