

Free Speech in the Workplace? Politics, social media and more!

Location

NRG Center
1 Fannin St.
Houston, TX 77054

Date & Time

Start Date: 07/28/2022
Start Time: 8:45 am
End Time: 9:45 am CDT

What happens when the lines between personal expression and professionalism start to blur and bleed into the workplace? Is off-duty political speech on social media protected or are there circumstances when an employer has a legal obligation to take action? Aaron Holt will explore these questions as well as recent changes in the law while providing practical guidance for employers seeking to understand the limits of free speech in the workplace, when employment laws such as Title VII or the NLRA require employer action.
