

Cozen O'Connor PEP Surpassed \$1M in 2021 'Perfect Storm'

Friday, February 25, 2022

Michael Heller spoke with *Am Law* discussing Cozen O'Connor's 2021 financial results, which showed growth and strong performance all around. Cozen O'Connor managed to grow profits at a double-digit rate in 2021 while steadily adding to its equity partner tier, as gross revenue benefited from strong demand across practices. Michael credits strong performances across all practices.
