Start Date:

Start Time: 12:00 pm ET

End Time: 1:00 pm ET

**Peter Lynch** and **Dana Meyers** will present a Cozen O'Connor webinar titled, "Hi, I'm Listening: Hidden Sources of Data Found in Smart Products and How They Provide Opportunities in Subrogation Claims" on Wednesday, July 14. This presentation will discuss technological advancements in smart devices and what data may be recoverable for use in your subrogation case. More specifically, the presentation will break down the Internet of Things, identify technology not otherwise considered when analyzing a subrogation claim, and how to secure data from these technological sources. The course will also investigate issues in securing data from these "smart products" and use of such data in your litigated subrogation case.

CE credit is approved in TX, NC, GA, FL, and DE.
