

London Market U.S.A. Study Tour

Location

Chicago, IL and Katie School of Insurance, Normal, IL

Date & Time

Start Date: 07/14/2013

An international seminar designed to benefit those in the Lloyd's market who are underwriting and claims personnel, brokers, capital providers, auditors and others to expand and develop new business in the U.S. insurance market.

The course is held in July for one week with half taking place in Chicago, Illinois and the other half at the Katie School of Insurance in Normal, Illinois. Topics may include U.S. regulation, risk management, catastrophe exposures, demands & expectations of firms, tort reform and ethics, reinsurance, surplus lines, current property/liability issues, and leadership exercises. This year Kellyn Muller, of Cozen O'Connor's Cherry Hill office, will be speaking on the topic of Superstorm Sandy. For more information on this program click [here](#).
