Speakers

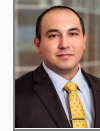

Fred W. Jacoby and **Jeffery R. Mullen** will present a Cozen O'Connor webinar titled, "Dealing with Force Majeure in the 21st Century."

The webinar will provide participants with an in-depth look at the effects of the COVID-19 Pandemic on construction and real estate projects and the current views of Courts in response to claims for damages. The presenters will address the negotiation of contracts and the application of industry form contracts in response to the disruption and effects of the Pandemic, the future role of force majeure provisions in the industry, and their application in business-related insurance policies. The presenters will discuss these topics and practical strategies and considerations relating to force majeure when allocating risks imposed by unknown and uncontrollable events in the post-COVID-19 era.

CLE is approved in PA, NY, TX, IL, NV, and CA.
