

Land Use and Zoning 101

Location

Philadelphia City Planning Commission
One Parkway Building, 13th Floor
1515 Arch Street
Philadelphia, PA 19102-1583

Date & Time

Start Date: 10/17/2012

How Zoning is a Good Tool of Planning

Understand the origins and reasons why zoning is important as a tool of planning. Zoning is an exercise of police power, in that it regulates land uses and the type, size and height of buildings. Learn how to navigate Philadelphia's new zoning code—the new zoning classification system, use tables, and dimensional tables. Practice using the code by reviewing a zoning use permit application.
