

FLSA Math: How to Calculate Wage-Related Damages 2024

Location

Webinar

Date & Time

Start Date: 09/20/2024
 Start Time: 9:00 a.m. EDT
 End Time: 12:00 p.m. EDT

John Ho will present “FLSA Math: How to Calculate Wage-Related Damages,” a webinar hosted by the New York City Bar Association. John will discuss the formulas that apply when calculating wage-related damages under the Fair Labor Standards Act and the New York Labor Law. He will also explore complex issues such as calculating hourly, overtime, and minimum wage rates; special rules for the calculation of damages for workers in the hospitality, restaurant, domestic, and building services industries; spread-of-hours pay and non-hourly wage rates; statutory damages under the Wage Theft Prevention Act; the overtime gap rule; bonuses; and fluctuating workweeks. Additionally, the panel will discuss interest under state and federal laws, tip credits and damages, liquidated damages, and spreadsheet tips and calculations.
