**Elliott Feldman** and **Joseph Scopelitis** will present a Cozen O'Connor webinar titled, "Prejudgment Attachment Statutes (CA, CO, IL, KS, NJ, and TX)" on Tuesday, August 3. This webinar will focus on prejudgment attachment statutes in California, Colorado, Illinois, Kansas, New Jersey, and Texas. Attachments are provisional remedies designed to seize the property of a defendant or prospective defendant to hold as security for the satisfaction of an eventual judgment. They are statutory remedies designed to prevent responsible parties from fraudulently or improperly conveying property before a judgment has been issued by the court, and thereby preserve the rights of claimants and creditors. Therefore, pre-judgment attachments can serve as a valuable pre-litigation/litigation tool.

This program will discuss the specific requirements of attachment statutes for exemplar jurisdictions and the procedural steps that need to be taken.

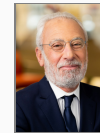

**CE credit is approved in FL, TX, NC, DE and OK**

**CLE is approved in PA, NY, TX, IL, NV, and CA.**
