

Arbitration: The Not So New Frontier

Location

New York City

Date & Time

Start Date: 01/24/2023

Start Time: 1:45 pm

End Time: 2:45 pm EST

Susan Eisenberg will present at the Wage & Hour Litigation and Compliance 2023 Conference. Susan and the panel will explore arbitration of wage and hour claims. After completing this session, participants will be able to:

- Understand how wage and hour claims are initiated in arbitration on an individual and mass basis
- Develop strategies for arbitrator selection and management of the arbitration process
- Recognize issues that arise in arbitrating wage and hour claims and understand strategies for anticipating and managing them
- Understand from arbitration administrator important nuances of the arbitration process
